Standards for Propeller-Driven Small Airplanes

Ladies and Gentlemen:

GAMA has reviewed the subject Docket and is in agreement with the proposed change therein.

GAMA represents 54 American manufacturers of general aviation aircraft, engines, avionics and other components. GAMA member companies also operate fleets of aircraft, fixed base operations at many airports, and pilot training facilities across the United States.

Opportunity to comment is appreciated.

Very truly yours,
William H. Schultz
Vice President-
Engineering and Maintenance
